

Paid Experience

Safety Communications Intern 2022 - 2023

Washington Metro Area Transit Authority (WMATA)

- Drafted a variety of engaging articles to increase employee knowledge of workplace hazards
- Planned and formulated robust communication materials for the bi-annual Safety Culture Assessment, distributed to over 14,000 employees across WMATA
- Created lines of communications between on-the-ground workers and administration to increase employee access to various resources

Event Planning and Support 2022 - present

XUNT

- Work in collaboration with event organizers in order to create exciting and comfortable spaces for marginalized people in DMV nightlife
- Actively communicated with key community members to access vital spaces and promotional avenues for ease of planning and promotion
- Used a variety of ticket-scanning applications to ensure events were private and occupied only by ticket-holders

Server and Barista 2014 - present

Various Workplaces

- Managed large, high-turnover sections in a variety of restaurant and cafe settings
- Advanced through the service 'food chain'
- Fostered welcoming and exciting environments for customers to ensure they keep coming back
- Cleaned and tidied in order to make sure spaces were clean, appealing, and comfortable
- Trained new hires and guideded them through the basics of each job until they were comfortable working alone

Unpaid Experience

Co-Chair 2020 - 2023

Students Against Imperialism

- Led and organized George Washington University's primary anti-imperialist organization
- Planned meetings, protests, teach-ins and other events
- Editor-in-chief of the SAI Monthly Newsletter
- Managed SAI's Mailchimp and responded to student inquiries
- Monitored SAI's requirements as an org, filling out necessary forms as needed

Marketing Director 2020 - 2021

WRGW

- Refreshed WRGW's logo and brand package, which is still used today across all platforms
- Created communications materials to announce events and important dates for station members
- Managed WRGW's social media, engaging with other college radio stations within the district
- Connected with all facets of the station to make sure their social media needs were met

Captain 2014 - 2019

Summit Speech and Debate

- Organized weekly practices and meetings so students were able to be prepared for monthly tournaments
- Created itineraries and supported planning for various trips and tournaments
- Achieved First in Parliamentary Debate in OSAA's 2019 State Championship. Achieved numerous other accolades during various tournaments during my time

Education

BFA in Journalism and Mass Comm. 2019 - present

The George Washington University

At the George Washington University I've achieved a 3.78 cumulative GPA, made the Columbian College of Arts and Science's Deans List my past four semesters, as well as achieved the Excellence in Undergraduate Research award for my paper titled "Vice, Neo-Orientalism, and the Spectacle of Violence."

Summit High School 2014 - 2019

At Summit High School in Bend, Oregon, I graduated 23rd in my class with a 4.23 weighted GPA. I took mostly upper-level AP classes, captained the Debate team, and was the editor of the the Opinions section at the Summit Pinnacle.
